Our Services

+ Planning

PROJECT PLANNING

PMP Project management in accordance with PMI methodology
 CRM customer-project follow-up
 Time, resource, process, cost, supply, quality, contract, HR and risk management
 Planning-Implementation-Monitoring & Control
 Detailed project schedule & calendar services with MS Project
 Project status reporting, discovery & cost & progress follow-up

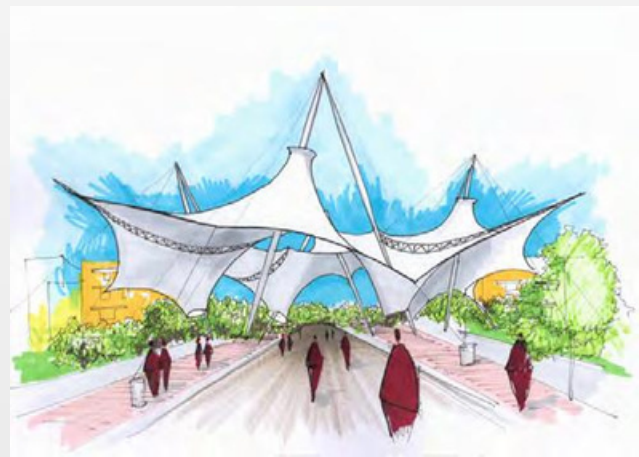

+ Design

Architectural Design

- Project site & user analysis
- Sketch works
- 3d modeling (autocad, 3dmax, lumion, revit, sketch up)
- Presentation (photoshop)

Structural System Design (RFEM,Easy)

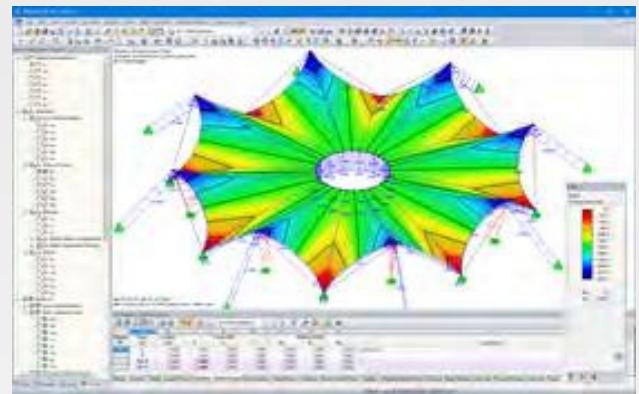

Mechanical design (Ansys)

+ Projecting

PROJECT

- Architectural project (autocad,3dmax,lumion,revit)
- Statical project (autocad,sta4cad,RFEM)
- Mechanical project (autocad,Ansys)
- Statical analysis & reporting (RFEM)
- Wind tunnel testing (RFEM)
- Manufacturing detail & as-built drawings (autocad, tekla) BIM (revit)

+ Manufacture

MANUFACTURE

- PVC | PTFE | STFE | ETFE membrane manufacturing
- STEEL & ALUMINUM Construction Manufacturing
- HF Welding | Hot Welding | Hotbar Welding | CNC Cutting
- Manufacture & stock follow-up with MS Project

+ Assembly

INSTALLATION

- Method statement
- Membrane system & construction assembly team
- Membrane system & construction supervisor service
- Project Delivery, project control, project performance management

Project Management

- **PMP Project management consultancy including Projecting, Manufacturing & Assembly Stages and tender management in accordance with PMI methodology**
- **Planning-Implementation-Monitoring & Control**
- **Detailed project schedule & calendar services with MS Project**
- **Project status reporting, discovery & cost & progress follow-up**
- **Time, resource, process, cost, supply, quality, contract, HR and risk management Cost & Time reduction works**

Project Services

- architectural project
- statical project
- structural system design
- mechanical system design
- statical analysis & reporting
- wind tunnel test
- manufacturing & detail & as-built drawings
- BIM

- Architectural project & Design team
- Statical Project Team
- Mechanical Project Team
- Manufacturing Management
- Assembly Management
- Bid & Tender Management
- R&D

Projecting with the latest technology and standards computer programs

- MS Project
- Autocad, Revit, 3dmax, Photoshop, Lumion, Sketch up
- RFEM Dlubal, Sta4cad, Tekla,
- Ansys
- AISC,LRFD, EUROCODE, TSE standards
- European Structural Design of Tensile Membrane Structures
